

Greetings!

The holiday season is fast approaching signifying the time of year when many of us prepare to celebrate our bountiful blessings while sharing goodwill and cheer with our loved ones.

Thankfully, you - our esteemed friends and members are there for us all throughout the year. Because of your unwavering generosity and support we are able to meet the many needs of our Alma Mater by contributing to past and present students, renovating school facilities, and donating equipment and school supplies.

Our annual fundraising event in July 2015 featured a Grant-A-Wish tree. Ornaments of the tree reflected the wishes for items that the students and teachers needed to help contribute to a successful school year. The items included socks, pens, calculators, musical instruments, chalk, markers, erasers, laptops, tablets, notebooks, school bags and a host of other items. As the event attendees entered and exited the ballroom, many took a "wish" from the tree, and donated the item to the treasure troll of love that was eventually delivered to the school.

We arrived in Montego Bay loaded down with the baskets of love that your generosity made possible.

This year for the first time, we expanded our focus to include the needs of the academic staff who sacrificially dedicate their time, talent, and personal resources to ensure that their students receive the best education

possible. Through your generosity, this past August we presented gift baskets to Department Heads, as well as the individual faculty member at the teacher's retreat that took place at the Montego Bay Holiday Inn.

This was just a small expression of all that you make possible throughout the year, without your continued generosity we couldn't do what we do! As we enter into this season of harvest, thanksgiving, and goodwill, I want you to know how much we appreciate your commitment and partnership and to wish you and your family peace, prosperity, and good health.

Sincerely,  
Dawn Jones, President
